The Man Who Tapped the Secrets of the Universe Glenn Clark,2022-08-15 ALL MY LIFE I have been looking for a Man who has discovered the universal law which lies back of the Sermon on the Mount and who consciously uses that law with full awareness of its meaning and full obedience to its principles Tens of thousands preach it or write about it yet have little understanding of its meaning I doubt if there are many men in the whole world who actually know that cosmic basis sufficiently to live it knowingly If I could find such a man I thought to myself he would be so cosmically aware of the Light of God that he would know the spiritual Cause of all Effect Such a one would be a super genius for the hidden secrets of the universe would be his He would see the universe as a whole and know his relationship to it and to God All knowledge of Cause would be his and the power to use it

Poetry: a Selection of Poems Simon Carver,2014-11-18 A first offering from a stand up scribbler with a need to play with words Almost three decades into a life sentence in the Music Industry Simon Carver has been quietly and sometimes less quietly writing poetry for about the same length of time This must surely speak volumes about something but who on earth knows what Very much a selection rather than a collection Poetry spans what Carver would refer to as scribbles from what feels like the dawn of time to the present day gathered and scattered in anything but chronological order but with a view to tone and the internal and external ebb and flow that is life Now very much South as a migr resident of West Berkshire with much of his time spent in London Carver is what he would describe with something of a wry smile as the most challenging of all combinations being an educated Yorkshireman with only his proudly flat vowel sounds to give him away By way of a nod back two of the poems have been written phonetically and are best read aloud to transport the reader straight to God s Own County and transform even the most well spoken into natives of South Yorkshire So why not dip in for what is no more than the price of a cheap drink and here is something of a taste Work Rest Play A Mars a day Is a slick Faithful Bar Of salty sweet Nostalgia c Simon Carver 2011 Check out Simon Carver on YouTube and Dailymotion

A Wreath for Emmett Till Marilyn Nelson,2009-01-12 A Coretta Scott King and Printz honor book now in paperback A Wreath for Emmett Till is A moving elegy says The Bulletin In 1955 people all over the United States knew that Emmett Louis Till was a fourteen year old African American boy lynched for supposedly whistling at a white woman in Mississippi The brutality of his murder the open casket funeral held by his mother Mamie Till Mobley and the acquittal of the men tried for the crime drew wide media attention In a profound and chilling poem award winning poet Marilyn Nelson reminds us of the boy whose fate helped spark the civil rights movement
