Fair and Tender Ladies Lee Smith,2011-07-05 A tour de force LOS ANGELES TIMES Ivy Rowe may not have much education but her thoughts are classic and her experiences are fascinating Born near the turn of the century in the Virginia Mountains Ivy s story is told completely through letters she is forever writing and that you will forever want to read Few readers will be dry eyed as they watch this extraordinary woman disappear around that last bend in the road CHICAGO TRIBUNE

The Book of Night Women Marlon James, 2009-02-19 From the author of the National Book Award finalist *Black Leopard Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* An undeniable success *The New York Times Book Review* A true triumph of voice and storytelling *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy It is the story of Lilith born into slavery on a Jamaican sugar plantation at the end of the eighteenth century Even at her birth the slave women around her recognize a dark power that they and she will come to both revere and fear *The Night Women* as they call themselves have long been plotting a slave revolt and as Lilith comes of age they see her as the key to their plans But when she begins to understand her own feelings desires and identity Lilith starts to push at the edges of what is imaginable for the life of a slave woman and risks becoming the conspiracy's weak link But the real revelation of the book the secret to the stirring imagery and insistent prose is Marlon James himself a young writer at once breath takingly daring and wholly in command of his craft

Do You Speak American? Robert Macneil, William Cran, 2007-12-18 Is American English in decline Are regional dialects dying out Is there a difference between men and women in how they adapt to linguistic variations These questions and more about our language catapulted Robert MacNeil and William Cran the authors with Robert McCrum of the language classic *The Story of English* across the country in search of the answers *Do You Speak American* is the tale of their discoveries which provocatively show how the standard for American English if a standard exists is changing quickly and dramatically On a journey that takes them from the Northeast through Appalachia and the Deep South and west to California the authors observe everyday verbal interactions and in a host of interviews with native speakers glean the linguistic quirks and traditions characteristic of each area While examining the histories and controversies surrounding both written and spoken American English they address anxieties and assumptions that when explored are highly emotional such as the growing influence of Spanish as a threat to American English and the special treatment of African American vernacular English And challenging the purists who think grammatical standards are in serious deterioration and that media saturation of our culture is homogenizing our speech they surprise us with unpredictable responses With insight and wit MacNeil and Cran bring us a compelling book that is at once a celebration and a potent study of our singular language Each wave of immigration has brought new words to enrich the American language Do you recognize the origin of 1 blunderbuss sleigh stoop coleslaw boss waffle Or 2 dumb ouch shyster check kaput scam bumper Or 3 phooey pastrami glitch kibbitz schnozzle Or 4 broccoli espresso pizza pasta macaroni radio Or 5 smithereens lollapalooza speakeasy hooligan Or 6 vamoose chaps stampede mustang ranch corral 1 Dutch 2 German 3 Yiddish 4 Italian 5 Irish 6 Spanish

The Joy Luck Club Amy Tan, 2006-09-21 The Joy Luck Club is one of my favorite books From the moment I first started reading it I knew it was going to be incredible For me it was one of those once in a lifetime reading experiences that you cherish forever It inspired me as a writer and still remains hugely inspirational Kevin Kwan author of Crazy Rich Asians Amy Tan s beloved New York Times bestselling tale of mothers and daughters now the focus of a new documentary Amy Tan Unintended Memoir on Netflix Four mothers four daughters four families whose histories shift with the four winds depending on who s saying the stories In 1949 four Chinese women recent immigrants to San Francisco begin meeting to eat dim sum play mahjong and talk United in shared unspeakable loss and hope they call themselves the Joy Luck Club Rather than sink into tragedy they choose to gather to raise their spirits and money To despair was to wish back for something already lost Or to prolong what was already unbearable Forty years later the stories and history continue With wit and sensitivity Amy Tan examines the sometimes painful often tender and always deep connection between mothers and daughters As each woman reveals her secrets trying to unravel the truth about her life the strings become more tangled more entwined Mothers boast or despair over daughters and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties Tan is an astute storyteller enticing readers to immerse themselves into these lives of complexity and mystery

The Dialects of British English in Fictional Texts Donatella Montini, Irene Ranzato, 2021-06-20 This collection brings together perspectives on regional and social varieties of British English in fictional dialogue across works spanning various literary genres showcasing authorial and translation innovation while also reflecting on their impact on the representation of sociolinguistic polarities The volume explores the ways in which different varieties of British English including Welsh Scots and Received Pronunciation are portrayed across a range of texts including novels films newspapers television series and plays Building on metadiscourse which highlighted the growing importance of accent as an emblem of social stance in the eighteenth and nineteenth centuries the chapters in this book examine how popular textual forms create and reinforce links between accent and social persona and accent and individual idiolect A look at these themes as explored through the lens of audiovisual translation and the challenges of dubbing sheds further light on the creative resources authors and translators draw on in representing sociolinguistic realities through accent This book will be of particular interest to students and scholars in dialectology audiovisual translation literary translation and media studies
